Valentine Treat

Love was in the air at Liberty Square this February. Autumn and Dylan, our amazing team members, surprised residents by delivering Valentine's Day goodie bags right to their doors. It was a small gesture meant to share a little sweetness and appreciation with our community. Did you receive your treat?

What Residents are Saying

Charlie

"I lived here for one year, and left as I purchased my own home. This was a very nice community to live in. The office staff were always

very nice and helpful, and it really was a nice community with a convenience store, and other shops within walking distance. They maintain the community very well, and the rental prices are fair. The townhouses are designed so you can't really hear your neighbors, so I did not have any disturbances or other issues like that. One of the best places to rent in the area if it is within your budget. They have a good rating for a reason."
